Brain Tree Primary School
 bringing education, hope and well being to the children and community of Kyanja, Uganda, since 1994.

ShIPLEY's partnership with Brain Tree (<http://www.shipleyschool.org>)

[ShIPLEY](#) is a Sister School with The Brain Tree Primary School, a private school in Kyanja, Uganda. ShIPLEY has helped provide [Brain Tree](http://www.braintreesesaw.org) with a new kitchen, library, sidewalks, books, T-shirts, as well as funding.

For 2011, [ShIPLEY](#) has a goal to raise US \$ 13,000 towards the "Live-able Latrine Project"
